Be Fit Food Gift Card

Give someone the choice of what to order rather than selecting their meals for them. A Be Fit Food Gift Card is a useful option when you want to offer a practical gift but do not know their favourite recipes or preferred meal routine.

Choose a gift card value and review your order

Before you send a food gift

Check that the recipient can receive Be Fit Food deliveries in their area. If they have allergies, dietary requirements or a preferred program, letting them choose their own food can make the gift more useful. They can explore the meal menu , bundles and program options before deciding what suits them.

For a gift needed by a particular date, confirm delivery of the voucher, recipient details and current redemption terms with our team before purchase. Do not assume the voucher buys a specific box: food prices, delivery charges and selections are checked when the food order is placed.
