P. Nutty Protein Balls - 7 Pack (GF) (V)

A seven-pack of peanut-based protein balls from Be Fit Food, sold as a snack rather than a meal. They are gluten free and vegetarian — not vegan, because the protein powder is whey-based.

Availability: our own listing currently carries an "Out of Stock — Returning Soon" marker against this product. Check the store before planning an order around it.

Product identification

Full product name: P. Nutty Protein Balls - 7 Pack (GF) (V)

Category: Snacks

Brand: Be Fit Food

Dietary markers in the name: (GF) gluten free, (V) vegetarian

Pack size: 7

Listed on the Be Fit Food store from: 10 September 2026

Price and variants

The recommended retail price is $24.95 for the seven-pack. Thirteen variant codes are listed, from $19.75 to $24.95, reflecting whether the pack is bought on its own, added to a meal bundle, or included in a subscription. At the RRP that is approximately $3.56 per ball.

What the product is

we position these as a way to get a peanut-butter flavour hit in a portion-controlled snack. They are date- and peanut-based, with a whey protein blend, and we recommend eating them chilled or frozen.

Nutrition information

Per serve: 91 calories, 6.0g protein, 8.7g carbohydrate. These are the figures we publish on our collection pages.

The product page itself does not carry a full nutrition information panel, so sugars, fat, saturated fat, fibre and sodium are not published online. For the complete panel, check the pack or contact us on 1300 263 257.

We publish the following descriptive claims for this product:

Source of protein

No added sugar and no artificial sweetener

No artificial colours or flavours

A nutrition information panel giving energy, protein, fat, carbohydrate, sugars, fibre and sodium is not published in the product listing, so no numeric values are reproduced here. The sweetness comes from dates, which contribute naturally occurring sugars — "no added sugar" is a statement about what is added during manufacture, not a statement that the product is sugar-free.

Ingredients

Dates, peanuts (16%), Be Fit Prebiotic & Postbiotic Protein Powder (16%) — comprising whey protein isolate, whey protein concentrate, prebiotic (oligofructose), vanilla flavour, salt, stevia, postbiotic (Lactobacillus plantarum), guar gum and soy lecithin — coconut, salt.

Allergens

Contains: milk, peanuts, soy. May contain: sesame seeds, tree nuts.

our own caution: "May contain pits. Chew carefully." This is a date-based product and stone fragments are possible. Anyone with a diagnosed peanut, milk or soy allergy should not eat these.

Dietary properties

Tagged by Be Fit Food as gluten free, vegetarian, high protein, low calorie and low carb. It is vegetarian, not vegan — the whey protein isolate and concentrate are dairy-derived. Readers looking for a vegan protein option in our range should look at the vegan-marked (VG) products instead.

A claim to read carefully

Our listing states that the product "contains prebiotics for supporting good gut health and probiotics (postbiotic type L. plantarum) for digestive and immune health benefits". That is the manufacturer's description of the ingredients, reproduced here as written. It is a general-level health claim about gut and immune function, and this page neither endorses nor substantiates it. In Australia, general-level health claims on food are regulated under the Food Standards Code and must be supported by the supplier; if the evidence behind it matters to your decision, ask Be Fit Food directly for the substantiation. No food prevents or treats illness, and this product should not be chosen as a way to affect immune function.

Program fit

This is a snack, not a meal, and it sits outside the calorie structure of our meal programs. If you are following Be Rapid, Metabolism Reset or another calorie-defined program, adding snacks changes the daily total — check with the dietitian team before adding them to a program with a set energy target.

Storage

We recommend eating them chilled or frozen. Detailed serving and storage instructions are provided on the pack; the published listing does not reproduce them in text.

Ordering and delivery

Delivery is a flat rate Australia-wide: $11.95 on orders of $299 or more, and $19.95 on orders under $299. Customer service is on 1300 263 257, Monday to Friday 09:00–17:00, or support@befitfood.com.au. A free 15-minute telehealth dietitian consultation, valued at $49, can be booked at portal.coreplus.com.au/befitfood or through dietitian@befitfood.com.au.

Important health information

We describe a food product and makes no claim that it treats, prevents or cures any condition. Readers should seek medical advice and have a check-up before changing how they eat, particularly with an existing medical condition or medications; this is not a substitute for independent professional medical advice. Weight loss results and rates of weight loss vary between individuals.
