Vanilla Choc Chip Low Carb Cookie - 7 Pack (GF) (V)

Vanilla Choc Chip Low Carb Cookies combine a vanilla flavour with dark chocolate chips in a lupin-based recipe. Almond meal and whole egg are also included. The product is sold as a seven-pack and specifies two cookies per serving, giving you a different option from brownies or protein balls.

Displayed price: A\$24.95 , checked 19 October 2026. Confirm the current price and chosen product at checkout.

Choosing these cookies

Choose Vanilla Choc Chip when you prefer vanilla with chocolate chips rather than cocoa throughout the cookie. Lupin flour makes up 25% of the recipe and dark chocolate chips 7%. The chips list maltitol and soy lecithin; milk is identified in the natural flavour ingredients.

The nutrition panel uses a 30 g serving, and the product guidance specifies two cookies per serve. Those figures describe a serving, not the whole seven-pack. Egg, almonds, lupin, soy and milk are declared allergens, so check this version's recipe rather than copying allergen information from another cookie flavour.

Ingredients and allergens

Ingredients: Lupin flour (25%), whole egg, gluten free flour (maize starch, rice flour, tapioca starch, rice bran, guar gum), erythritol, almond meal, dark choc chips (maltitol, cocoa solids 45%, soy lecithin) (7%), vegetable glycerin, soluble fibre (polydextrose), canola oil (GM free), natural flavours (milk), monk fruit extract, baking powder. Contains: Egg, Almonds, Lupin, Soy, Milk. May contain: Peanuts, Tree Nuts.

Nutrition information

Serving size: 30g. Values below are transcribed from the product page's nutrition panel.

Nutrient	Average per serving	Average per 100g	---	---	---	Energy	420 kJ (100 Cal)	1400 kJ (333 Cal)
Protein	5g	16.8g	Fat	4.8g	16.0g	Saturated fat	0.8g	2.8g
Carbohydrate	3.8g	12.6g	Sugars	0.7g	2.4g	Fibre	4.8g	16g
Sodium	59mg	196mg	Gluten	Nil Detected				

View the original nutrition panel . For multi-serve packs, the per-serving values are for the stated serving, not the entire pack. Check the label on the product you receive.

Nutrition note: the online summary badge and the nutrition-panel image currently differ. This table reproduces the panel image. If you need a confirmed figure for dietary planning, check your delivered pack or contact our team before ordering.

Pack-size note: the product is listed as a seven-pack or seven-serve pack, while the linked panel states one serving per package. The serving values above are transcribed from that panel. Confirm the delivered pack quantity with our team rather than calculating a total pack weight or nutrition from these conflicting labels.

Serving and storage

The product specifies two cookies per serving. Follow the serving and storage instructions on the delivered pack.

Vanilla Choc Chip questions

Is one cookie one serving?

The product specifies two cookies per serve. Use the serving information on your delivered pack when portioning them.

Does it contain milk?

Yes. Milk is listed with the natural flavours and is included in the allergen declaration. This is not a dairy-free option.

What sweetening ingredients are listed?

The recipe includes erythritol and monk fruit extract, with maltitol in the chocolate chips. It should not be described as unsweetened or free from sweetening ingredients.

Order and delivery
